

With over 25 years of experience in the commercial sector, our team delivers high-quality solutions tailored to meet the unique needs of each project, ensuring durable, sustainable, and visually appealing results.

Core Services

Hardscaping

- ✓ *Footpaths and Walkways:* Design and installation of durable and aesthetically pleasing footpaths to enhance accessibility and pedestrian flow.
- ✓ *Concrete Slabs:* Expert construction of concrete slabs for various applications, including pavements, foundations, and other flat surfaces.
- ✓ *Off-Form Objects/Seats:* Custom-made off-form concrete seating and other architectural features to complement landscaping projects.
- ✓ *Concrete Structures:* Design and construction of concrete retaining walls, steps, planters, and other structural elements to create functional outdoor spaces.
- ✓ *Swimming Pools:* Expert construction of custom pools, from excavation to finishing, seamlessly integrated with your hardscape.
- ✓ *Specialty Paving:* Cobblestones, tiling, stonework and custom surface solutions.

Landscaping

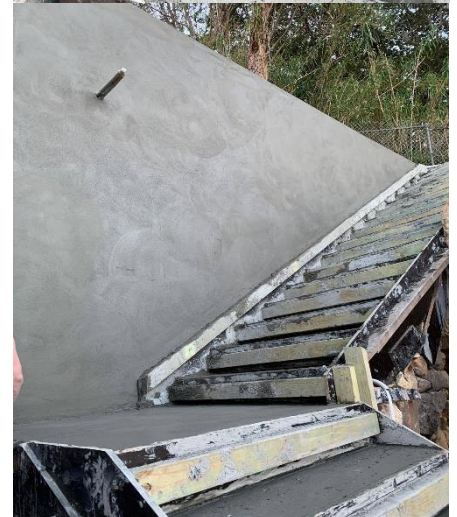

- ✓ *Planting:* Selection and installation of a variety of plants, shrubs, and trees suited to the climate and aesthetics of the site.
- ✓ *Mulching:* Providing essential mulching services to help retain moisture, suppress weeds, and improve soil health.
- ✓ *Turf & Lawn Installation:* Grass, turf & soft landscaping, including establishment of lawns.
- ✓ *Architectural Features & Structural Elements:* Custom-designed Corten steel, timber decking, and decorative structures that enhance functionality and aesthetic appeal.

Earthworks

- ✓ *Site Preparation:* Excavation, grading, and leveling of land to prepare for landscaping, concrete structures, or other construction activities.
- ✓ *Stormwater Management:* Implementation of earthworks to support proper drainage and prevent water accumulation.

Steel

- ✓ *Steel Frameworks:* Fabrication and installation of steel structures, including fencing, gates, and custom steel elements for enhanced outdoor design.

Why Choose Us?

- ✓ At **Ormond Civil**, we bring expertise, precision, and innovation to every project. Our commitment to quality ensures durable, visually striking, and functional outdoor spaces that stand the test of time.
- ✓ **Industry Expertise** – With over 25 years of experience in civil construction, we specialize in delivering complex hardscaping and landscaping solutions tailored to commercial projects.
- ✓ **Uncompromising Quality** – With premium materials that comply with industry standards, our expert craftsmanship ensures every project meets the highest standards of durability and aesthetics.
- ✓ **On-Time, On-Budget Delivery** – We understand the importance of deadlines and budgets in commercial projects, ensuring efficient execution without compromising on quality.
- ✓ **Sustainable Solutions** – We integrate eco-friendly practices, water-efficient designs, and sustainable materials to create long-lasting landscapes that align with environmental standards.
- ✓ **End-to-End Project Management** – From design to execution, our team handles everything with precision, clear communication, and minimal disruption to your operations.

Partner with **Ormond Civil** for commercial hardscaping and landscaping solutions that enhance outdoor environments, improve functionality, and elevate your project's value.
